

## **User workshops for students and staff**

Free user workshops for students and staff will be held once or twice a year. The seminar will provide user an overview of the lentiviral vector production procedure, applications and unique resource the Faculty of Medicine-funded Biomedical Functionality Resource housed at System Biology, U. Manitoba.

The first workshop will be held on September 28, 2012, 12 – 1 pm, Alec Sehon Room, 4/F Apotex Center.

Hand-on training and consultation, if requested by the user, will be set up at a rate of \$150/hr.
