Wednesday, January 30th, 2:30-4:00pm Location: E1-270 EITC

Panel members' *Biographies*

Lindsay Melvin earned a Bachelor of Science in Mechanical Engineering and a Master of Science in Mechanical and Industrial Engineering, both from the University of Manitoba. As the Senior Market and Risk Studies Engineer at Manitoba Hydro, Lindsay believes that negotiation is a part of everyday life, and can even change your life! Lindsay is currently completing a Master of Business Administration (MBA) at the I.H. Asper School of Business at the University of Manitoba.

Andrea Watts is a graduate of the University of Manitoba Mechanical Engineering Co-op Program. She's spent the last ten years working as an engineer in the aviation industry; first with StandardAero, a maintenance, repair, and overhaul provider of gas turbine engines, and currently with Transport Canada as a Senior Aircraft Certification Engineer. Andrea has developed her negotiation skills working in diverse environments with people from a variety of professions. Andrea is

registered as a Professional Engineer with the Association of Professional Engineers and Geoscientists of Manitoba.
