

MATH 3450

Honesty Declaration Individual Work

This form must be completed and attached to your completed assignment upon submission. Only assignments accompanied by this Honesty Declaration will be accepted for marking.

I, the undersigned, declare that the attached assignment is wholly the product of my own work, and that no part of it has been:

- copied by manual or electronic means from any work produced by any other person(s), present or past, including tutors or tutoring services,
- produced by several students working together as a team (this includes one person who provides any portion of an assignment to another student or students),
- copied from any other source including textbooks and web sites

I have included (on the back of this sheet) a note which indicates any resources I may have used for this assignment. This includes a computing device used for calculations, any encounter of a proof of the question (or a similar question) found in texts or online (cite your sources), and discussions I have had with other students.

I understand that penalties for submitting work which is not wholly my own, or distributing my work to other students is considered an act of Academic Dishonesty and is subject to penalty as described by the University of Manitoba's Student Discipline Bylaw*.

Name: _____

Student ID: _____

Assignment number _____

Date _____

Signature _____

(* Penalties that may apply, as provided for under the University of Manitoba's Student Discipline ByLaw, range from a grade of zero for the assignment, failure in the course to expulsion from the University. The Student Discipline ByLaw may be accessed at:
