

# NSFL Visitor Access Form

I, \_\_\_\_\_, of \_\_\_\_\_,  
(Print name) (Company / Organization / Department)

at \_\_\_\_\_  
(Address)

acknowledge the following:

- 1) This lab is inherently dangerous. Hazardous chemicals, high temperature equipment, and high voltage equipment are present and in use. The locations of these hazards will be pointed out to me if there is the possibility of coming into contact with them. MSDS sheets have been made available for my perusal.
- 2) I will conduct myself in a manner suitable for the shared space environment of the NSFL.
- 3) I will wear all the required safety equipment for the laboratory and any process I witness.
- 4) I realize that observing a laboratory user does not constitute equipment training or certification.
- 5) I have been made aware of the emergency evacuation procedure for this site. Fire exits, fire routes, fire extinguishers, the safety shower, and location of first aid equipment has been pointed out to me.
