Textbook: Undergraduate Topology, Robert Kasriel

Approximate Course Outline (Chapters 3, 4 and 5):

Topic	Sections from Kasriel
Metric Spaces	45 - 53
Special Properties	54 - 67
Applications	69 - 73

Calculation of Final Grade:

Assignments: There will be two assignments (tentative dates: Sept.21, Oct.26) .
Each assignment is worth 5% of your final grade, for total of 10%. Late assignments receive a grade of zero.

Tests: There will be two tests:

Test 1: October 14 (20%)

Test 2: November 23 (20%)

The **final examination** will be worth 50% of the final grade.

The **Voluntary Withdrawal** deadline is November 17.

Academic honesty: Please read the academic regulations on Plagiarism and Cheating and Examinations - Personations on page 25-26 of the 2004/05 General Calendar.
