Wednesday 9:30 – 10:30 AM
Thursday 1:30 – 2:30 PM
(Or by appointment.)

StatsPortal gives you access to the e-book, online assignments, study guide and other resources. This is also where the course notes will be posted.

Student Registration: All students **must** self-register at <http://www.stats.umanitoba.ca/register>. **No exceptions!** This is where you submit your honesty declaration, signup for StatsPortal and register your i►clicker. If you do not sign up for StatsPortal through the Department of Statistics, you cannot receive marks for your assignments.

i►clicker: You are responsible for bringing your i►clicker to class and ensuring that it has functional batteries. The use of another students i►clicker constitutes impersonation and is strictly forbidden under the University of Manitobas academic dishonesty policy.

Assignments: There will be six on-line assignments given during the course. Assignments will be due approximately every two weeks at 10:00 p.m. on the due dates, and are of equal value. Your lowest assignment mark will not be counted, so assignment extensions will not be given.

Note: All course notes, assignments, tests, exams, practice exams and solutions are the intellectual property of your instructor. Reproduction or distribution of these materials is strictly forbidden without the consent of the Department of Statistics.
