

Title: Semi-parametric small-area estimation by combining time-series and cross-sectional data

Authors: Farhad Shokoohi and Mahmoud Torabi

E-mails: shokoohi@icloud.com  
Mahmoud.Torabi@umanitoba.ca

The R file Program\_Asthma.R produces the results of Section 5.2 (Figures 3-5, and Table 11).

Note: The Asthma data used in the R code to run the appropriate model are not provided due to confidentiality issue.
