

MATH 1500, INTRODUCTORY CALCULUS I
A04, Slot 9
Winter 2013

Instructor: Nina Zorboska

Office: 530 Machray Hall

Telephone : 474-9832

web page:

http://home.cc.umanitoba.ca/~zorbosk/Webpages/1500_13_W/1500.html

Tutorials for section A04 start on January 16 (Wednesday).

The exercises from the textbook assigned as suggested homework on the course outline page are a good guideline for questions during the tutorial hour.

The 5 tutorial quizzes (tests), with the best 4 out of the 5 counting (no make up tests), will be done the last 20 or 25 minutes of the tutorial hour.

The tutorial quizzes are worth 10% of the final mark.

Tentative dates for the tutorial quizzes are:

Tutorial Quizzes: #1 January 23
#2 February 6
#3 March 6
#4 March 20
#5 April 3

Midterm exam: February 27 (Wednesday) 5:30-6:30 p.m.

Office Hours: Mondays 1:30 – 2:30 and Tuesdays 3:00 – 4:00
(or by appointment)
